PREFACE

IN presenting the **Forty-Sixth Annual Edition** of the **City of Hamilton Directory**, we thank the business men and patrons in general for the liberal and enthusiastic support they have given us. No effort has been spared to make the work as up-to-date and as accurate as possible. The number of names in the Alphabetical Directory is 45,147, which, multiplied by 2¾, gives 124,154 as the population of Hamilton and outskirts.

Wishing our subscribers a prosperous year.

THE BUSINESS DIRECTORY

We wish to direct your attention to the following pages which consist of a Classified Business Directory of Hamilton—a mirror of the Business Interests of this city.

This department of the Directory is a Buyers' Guide, the City Directory being the common intermediary between the Buyer and the Seller.

We have endeavoured to classify your business under at least one heading, but this one heading does not in many cases cover all the lines you sell or manufacture.

If you expect to benefit to the full extent from the extensive use of a City Directory, you should see that your name is properly represented under all the Classifications necessary to cover all the branches of your business.

Hundreds of persons—both local and transient—consult the City Directory—daily—for information regarding your business and the other fellow's. Is your information complete?

Send us a list of the Classifications under which your name should be inserted.

We are sure our price will show you that it costs less to be properly displayed in the Directory than to be left out.
